Finance Committee Letter to O.R.R. Committee

The following copy of a letter from the Mattapoisett Finance Committee to the Old Rochester Regional School Committee is an extraordinarily concise evaluation of an immediate prospect. Massachusetts dictated programs together with state mandated public employees' unions have firmly launched every city and town toward bankruptcy. Home ownership is keyed to a tax rate overwhelmingly controlled by school system costs over which the home owner has no direct vote or control. I offer my gratitude to the members of the Finance Committee for this effort to alert the Regional School Committee to the consequences of their budgets upon each homeowner in our three town community.

We are writing to you as citizens and taxpayers of the town of Mattapoisett, as well as members of the Mattapoisett Finance Committee. We are sure that our views are shared by a large number of taxpayers in our three towns and felt it desirable to get our thinking out into the open.

As you know, each year for the last three years the school population in the senior and junior high schools in the Old Rochester School District has decreased. If our information is correct, we believe we had 1,163 students in the 1976-1977 year and you are currently budgeting for approximately 1,154 students...1,154 students is 3.8% less than the 1,200 students on which you based your 1976-1977 budget.

We were somewhat shocked as a result of the hearings with the Mattapoisett Finance Committee last year that, in spite of decreasing student population, the cost of running the Old Rochester School had jumped over 15%. We recognized that some of this jump was caused by state mandated programs over which you have no control, but it is obvious that the total budget was influenced primarily by payroll costs, both as a result of financial increases to employees and additional people. We recognized, too, that one of the reasons for these substantial increases given by the School Committee was that we now had unions for all of our employees.

We are disturbed by a report of the School Committee meeting held on January 3, 1977 to discuss the upcoming budget that, again, in spite of fewer students, there was going to be a substantial increase in the proposed budget for 1977-1978. We believe that we are correct that the numbers you were discussing at the time did not include any general increase for your employees but merely included step increases which come about automatically for teachers. Presumably, the School Committee will go into negotiations with the teachers' un to determine how much in addition to this the teachers will get as a "general" increase. Ho ever, even without the general increase, the teachers' salaries have gone up 2.3% with thc who are not on the maximum and who are eligi for step increases going up from 4-1/2 to 5-1/2%. We also understand that the budget as discussed, did not include certain major expenditures on which the administration still has to get quotations, such as repaving the parking lot, etc.

In spite of the fact that these major items are missing from the budget, the initial proposal indicated that there will be a 10.5% increase in the total budget even though there is to be a decrease in the number of students It would, therefore, appear that by the time

Reservations may be made by contacting Fran and Barb Gordon, 758-4541; or Kathleen and Michael Renzi, 758-6507.

This is our 24-hour teller.
We introduced it first to make your banking that much easier.
But we never envisioned how popular it would become.

Like many of our other customer services, 'Big Doc' has given our bank another dimension we never quite expected. We knew some of our customers would find 'Big Doc' useful before and after regular banking hours, but we never dreamed that use of our 24-hour teller would place us very high among the many other New England banks offering the same or similar service. Now we know we could never get along without 'our man' out front. In fact, we ask ourselves frequently, why we didn't think of 'Big Doc' a whole lot sooner.

the additional items are included in the budget there will be another approximately 15% increase in the operating costs of our school. We would point out that, if you continue to increase at 15% per year, the cost of running the school will double in just over four and one-half years.

The thing that concerns us is that the average taxpayer in the three towns who are supporting the school system are not getting increases anywhere near 10% like many of the school employees and teachers, nor are they getting increases of 15% like the increase in the cost of operating our schools. It is obvious to us, too, that the average taxpayer is facing an ever increasing squeeze if the cost of all taxes and government-sponsored programs are requiring a larger and larger share of what little income he gets. We are very much concerned that, if the trend as shown in your preliminary budget hearings continues, the tax rate in our three towns will be so escalated that many taxpayers will be unable to pay their tax bills. This can only lead to a general degradation of our towns or a taxpayers' revolt, similar to the ones recently experienced in the state of Ohio which resulted in the closing down of the school system because of lack of funds.

It would appear to us that the time is now for the Old Rochester School Committee to exercise restraint and try to prove to the taxpayers of our towns that you really are running a tight ship and a businesslike operation. We would urge that you fully analyze each of the programs you are proposing to make sure that they are really necessary for the good education of our children.

Further, we suggest that since you now have unions in all of your employee groups, who are well supported by extremely able negotiators and good lawyers, the School Committee meet power with power and engage a good able lawyer and negotiator to represent our School Committee and our taxpayers so that we get a reasonable settlement which is not only good for our employees but also fair to our taxpayers.

If our information is correct, we believe that our teachers and our employees, as a result of past negotiations, are already being paid substantially more than employees in similar jobs in other school systems throughout the area. While we agree that we want to attract the most capable teachers and employees we possibly can, it does not appear to us to be desirable to perpetuate the differentials that we believe exist at the present time.

We feel it is extremely undesirable for our finance committees of the three towns to be facing the Old Rochester School District School Committee as adversaries but, rather, we should be working together for what is good for our students and good for our towns and reasonable for the taxpayers in three towns. We recognize that the deliberations on budgets that you have had so far are merely first passes at it and believe that it is extremely desirable to exercise all restraint possible in the finalizing of the budgets of the coming year.

Since school budgets represent approximately two-thirds of our total town budgets, our tax rate is largely in your hands.

Sincerely yours,
Mattapoisett Finance Committee

Hydrant Clearance Praised

TO THE EDITOR

The recent series of severe storms has resulted in the residents of Mattapoisett again demonstrating their ability and willingness to act favorably in an emergency and showing compassion and concern for other people. The unselfish and often dangerous actions on the part of the many professionals and volunteers during the height of the worst snow storm in recent history included many rescue operations. These most commendable acts will undoubtedly receive recognition by the news media.

The purpose of this letter is to express the sincere appreciation of the members of the Town Water Department to those many residents who, concerned for the safety of their families and neighbors, shoveled snow away from the fire hydrants in their areas. Their efforts could well have resulted in considerable savings in lives and property should a fire have occurred in the vicinity. It is physically impossible for our small Water Department work force to reach and clear all 259 fire hydrants in the system immediately after a storm, even if we could concentrate on that problem, and our first priority must be to assure uninterrupted water service. Therefore the assistance of public spirited residents is most important and worthy of the highest praise.

BUS SERVICE CONTRACT APPROVED

The contract with the Southeastern Regional Transit Authority for subsidized bus service from New Bedford was signed subject to review by the Town Counsel. The cost of the service is $6900. from which fares are deductible. The Board of Selectmen directed Stephen Lombard, Executive Secretary, to survey the bus to see how many patrons are using the service.

ANTI-RECESSIONAL FUND RECEIVED

The Federal Government has sent to the town $3,387 for anti-recession funds under Title II of the Public Works Employment Act. This amount is based on unemployment rates for the previous quarter.

SUGGEST HIRING POLICY

Selectmen met with the Personnel Board concerning a request for the hiring of another full time district nurse by putting a part time employee on full time status. Personnel Board Chairman Paul Lambalot suggested a screening committee be formed to discuss hiring new people and have the need justified. He suggested the screening be done by one person from each department. Both the Selectmen and the Personnel Board agreed there is a need for review and control of hiring since the cost exceeds salary with fringe benefits, insurance and other costs. The Personnel Board's duties, as they see it, is to set pay rates and not to determine job justification. The Selectmen asked the Personnel Board to discuss a by-law change to define that board's duties to present to the Annual Town Meeting.

DISCUSS SPORTS PROGRAM

Selectmen met with the Sports Committee to discuss their proposed budget. Potential expanded programs were reviewed and several were deleted from the proposed budget which will be presented to the Finance Committee for their consideration. The trimmed proposed figure is more than 2 1/2 times the 1975-76 sports budget.

MEMORIAL DAY BUDGET

Selectmen met with John DeCosta concerning the Memorial Day budget. Mr. DeCosta was readily agreeable to the discontinuing the out of town band hired for the exercises and parade in favor of allowing the high school band to participate in the exercises. Mr. DeCosta had contacted David Hagen, principal of the high school, and had made arrangements for the high school band to play on Memorial Day. The cost of the outside band of $500. was dropped from the proposed budget reducing it from $1500 to $1000.

Sports Swap

MATTAPOISETT PTC SPORTS SWAP

The Mattapoisett P.T.C. is sponsoring their 1st annual Sport Swap at Center School on Wednesday, February 9th, from 6 to 8 P.M. Bring your outgrown skis, ski outfits, boots, poles, hockey or figure skates, hockey equipment and make extra money while giving the P.T.C. 10% of what you make. You determine the price. You tag it. We want all types of sporting equipment - footballs, badminton sets, basketballs, tennis rackets, golf equipment, soccer balls, street hockey net and equipment. Anything you're tired of looking at or using someone else might need.

Search your attics and cellars and you might even come up with a bike, pogo stick, or bridle. This is a family affair. Get your children to help by cleaning the cellar of unused equipment while making money at the same time. Chairman Kathy Riley needs you for this to be a success. Support your P.T.C. and call for further information 758-4447.

Equipment may be brought to Center School on that day, February 9th.

Energy Films

MARION AREA LEAGUE OF WOMEN VOTERS

The Marion Area League of Women Voters is sponsoring an Energy Film and Discussion Program on Thursday, February 3, at St. Gabriel's library, Front Street, Marion. The program will begin at 7:30 P.M. A small donation is being requested to cover costs. Two films, each of 20 minutes duration, will be shown. An informal discussion period and refreshments will follow.

The first film: ENERGY: THE DILEMMA, focuses on the development of America's high energy civilization, patterns of energy consumption, the present decrease in ener-

gy sources and supplies coupled with their increased use and the role of energy as a servant of society vs. its role as a polluter.

The second film: ENERGY: NEW SOURCES, is concerned with alternate sources and technologies of energy such as fossil, geothermal, hydro, nuclear, solar and waste conversion. Both their advantages and their disadvantages are brought forth.

We hope that the viewing of these two films will stimulate a lively discussion of the energy problem whose ramifications effect us all personally, locally, nationally and internationally.

Children's Museum

CHILDREN'S AUCTION AT MUSEUM OUTDOORS

An auction for children will be held at Museum Outdoors, 100 Old Westport Road, North Dartmouth, at 2 P.M. on Saturday, January 22. Children 10 years old or younger are invited to register for this special program which is free to members and a nominal fee for non-members. Dolls, teddy bears, puzzles, games, toy boats and airplanes, stuffed animals, checkers, chalk boards, and even a globe of world have been donated for this unusual auction.

Each child will be given the same amount of "play money" to use to pay for the items to be auctioned off. Jeff Dallaire, a 12 year old Children's Museum member, will be the auctioneer. Jeff will hold separate bidding sessions for the youngest children of preschooler through age 6. Please dress for an outdoor program; the auction will probably be held in the Museum's new open-sided pavilion. Registration is required for participation in the program; to register your children please call 993-3361 or 636-4688.

"PROGRAM OF STUDIES" AT O.R.R.

Tuesday evening, January 25th, from 7 to 9 P.M. the Junior and Senior High Principals, Director of Instruction, and the Guidance Staff will host a program to explain the "Program of Studies" to parents of 8th, 9th, 10th and 11th grade students. Booklets describing all courses offered at the Senior High have been distributed to the students and should be read through thoroughly prior to the meeting. The most critical decision being made by students and their parents is proper course selection and next Tuesday evening in the Bristol Auditorium the staff of O.R.R. will assist you in this endeavor.

Memorial School News

ROCHESTER MEMORIAL SCHOOL
MATH CURRICULUM DAY

Rochester Memorial School children will be dismissed at 12:15 on Tuesday, January 25. Teachers will then participate in a math curriculum day set up to introduce them to a new math management program and a program that can be used for drill and remediation.

The math management program is designed to provide the teacher with four main instructional tools:

1. diagnostic and post testing of skills.
2. concrete introductory lessons
3. resource file for all publishers.
4. student profile record that reflects the child's mastery of each skill.

The second program is designed to provide the teacher with a resource for those children who need remediation or drill in a particular skill.

BANTAMS: The Rochester Grizzlies lost to New Bedford 4 to 0. The Kodiaks won by forfeit over New Bedford because New Bedford did not have enough skaters show up. The Brown Bears lost to Dartmouth 5 to 3 with Greg Urquhart scoring 2 (Mark Farrell, Rodney Morris), and Morris (Carl Enroth) coming through.

PEEWEES: The Rochester Bruins lost to New Bedford 4 to 0 on a good defensive effort by the whole team. The Bears lost to New Bedford 7 to 0.

SQUIRTS: The Rochester Cubs won handily over New Bedford 4 to 1 with Gary Sherman (Danny Lee), Kris Smith (u), Mark Sanford (Mike Walega) and Sanford (u) on a penalty shot for a good all around team effort. The Black Bears lost to Dartmouth with Jeff Haymaker (u) hitting.

MITES: The Rochester Pandas behind Timmy Purtell (Mark Brockelman) and Paul Lambalot (u) defeated Dartmouth 2 to 1. The Koalas won 2 to 1 with Chris White (u) and Jay Vincent (Chris Demakis) doing the scoring to

ROD AND GUN CLUB TURKEY SHOOT

The Sippican Rod and Gun Club will hold a Turkey Shoot on Sunday, January 30, from 1 to 4 P.M. on the clubhouse grounds at Dexter Lane in Rochester.

Shotgunners will compete from 40 yards with 12, 16, and 20 gauge shotguns. Participants may use their own guns or one available at the clubhouse. The Sippican Club will also, because of its popularity, hold a .22 caliber rifle and pistol shoot, along with their normal shotgun event.

Once again, the club will have a Junior .410 gauge shotgun event. Participants for these shoots must be under 16 years of age. Ladies are also invited to participate in all shoots. If there is enough participation from the ladies, the Club plans to hold "Women Only" shoots.

The clubhouse will be open and refreshments will be available. Those interested in becoming a member of the Club may obtain applications from the clubhouse.

MAIL DELIVERY - MATTAPOISETT

Because of the recent two storms the rural carriers have had great difficulty delivering the mail. Therefore we are once again asking your cooperation in cleaning around your mail box. The carriers are not required to leave your mail if they cannot drive up to your box. The length of the routes makes it impossible to get out at each stop.

If you know that your box is not accessible you may pick your mail up at the post office by calling by 10 A.M. and requesting that it be held.

MATERIAL NEEDED

The students of ORR High School will be presenting "Kiss Me Kate" this spring. The very talented Mrs. Patricia Finn will be in charge of designing and making the costumes for the production. In order to supplement the available funds for this energetic project, we are asking for donations of material, old gowns, silks, satins, old curtains or drapes that could be used in the making of costumes. If you have any items that may be used for this purpose, please bring them to the ORR High School or call Mrs. Ripple at the ORR Junior High School office.

ENERGY IS TOPIC

Mrs. Iris Fontera, energy coordinator of Onboard, Inc., will discuss ways to use household energy more efficiently at the YWCA Wednesday Luncheon on January 26. Mrs. Fontera will offer hints on how to use less gas, electricity and oil, saving both energy and money.

The Luncheon of soup and sandwiches begins at noon and is open to the public.

SOLO PARENTS

The Solo Parents Club of the YWCA has planned several activities during January.

On Thursday, January 27, from 9 to 11 P.M. the adults in the club will enjoy free line dancing and buffet at the American Legion on Dartmouth Street in New Bedford. Reservations must be made for this outing.

On Sunday, January 30, adults and children will enjoy bowling at Lincoln Park at 1 P.M.

Call the YWCA for further information about these activities.

New Life Singers

AT THE FIRST CONGREGATIONAL CHURCH OF ROCHESTER - Because they were so well received before, the New Life Singers are coming to Rochester. They are a dynamic group of high school - college age young people who present the message of Christ in song. Their concert will comprise the worship service on January 23 beginning at 10:30 A.M. If you missed them before, you've probably heard about how wonderful it was. If you saw them before, you've only had a taste. This time bring another person with you to share in the blessing. See you there!

Soil Survey

FOR LAND OWNERS OR USERS

A wealth of soils information is available to landowners of Plymouth and Bristol Counties, from Soil Reports prepared by the U.S.D.A., Soil Conservation Service.

For Plymouth County, the whole area has been completely surveyed and a report has been published. The title is "Soil Survey, Plymouth County, Massachusetts". This report is available from your Congressional Representative or from the Superintendent of Documents, U. S. Government Printing Office, Washington, D.C. 20402. In addition to this report, most towns in Plymouth County have had an individual soil report prepared.

In Bristol County, no county report has yet been published. However, most towns and cities have had an individual report prepared for them. To date, soil surveys have been completed on over 80 percent of the county.

For further information on the availability of soil surveys of Plymouth and Bristol County, call or write to: U.S.D.A., Soil Conservation Service, 153 Broadway, Raynham, Massachusetts 02767. Telephone number is 824-6668.

PEDIATRICS SPECIALIST AT TOBEY

Stuart Berman, M.D., a specialist in Pediatrics, has joined the Medical Staff of Tobey Hospital. A native of Brooklyn, New York, Dr. Berman attended school in Baldwin, Long Island, graduated from Pennsylvania's Lehigh University, and returned to New York to study at the Albert Einstein Medical School. Upon graduation he spent three years at the University of California at Los Angeles both as an intern and resident concentrating throughout on pediatric medicine. During 1975-76, Dr. Berman was a Fellow at the Yale-New Haven Medical Center studying pediatric gastroenterology. Since moving to Massachusetts this fall, he has been in practice at the Crow's Nest Clinic in Buzzards Bay with Dr. Peter Wisselink.

Married to the former Loretta Friedmann of Brookline, an Art History major turned journalist (she is presently associated with the Cape Cod Independent), he is enthusiastic about living and practicing in Buzzards Bay. Pediatrics, he feels, is an optimistic branch of medicine: it usually allows the
